for Rangeland Health and Guidelines for Grazing Management for the public lands in Utah, pursuant to the Grazing Regulations (43 CFR 4100) of August, 1995. This document is available to the public. A 30-day protest period is provided which will run concurrently with the Governor's Consistency Review. This 30-day period ends January 24, 1997. At the end of that period, the State Director's Decision will become final and the "Standards and Guidelines" will be forwarded to the Secretary of the Interior for his approval which places them in effect.

DATES: A 30-day protest period is provided which ends January 24, 1997.

FOR FURTHER INFORMATION CONTACT: Deane Zeller, Team Leader, Bureau of Land Management, Utah State Office, 324 South State Street, Salt Lake City, Utah, 84111; phone (801) 539-4052.

SUPPLEMENTARY INFORMATION: The Utah Standards and Guidelines have been developed in consultation with the Resource Advisory Council and with public participation. They have been provided to the Governor of Utah for his review for consistency with State and local plans in accordance with 43 CFR 1600. Public meetings were held in various locations within the State.

When approved by the Secretary, the Standards and Guidelines constitute the State Director's Policy and Planning Guidance. As such, they will be used by all BLM offices in Utah as guidance for land use planning, developing rangeland improvement projects, issuing grazing permits and leases, and general grazing administration. The Standards will apply to all land uses (where law and regulations do not dictate otherwise) and Guidelines will apply to all grazing on public lands.
